JSCCA

2021 ANNUAL CONFERENCE

JSCCA is delighted to announce the programme for the 2021 Annual CPD Conference.

As with previous conferences, the format is modular, enabling delegates to attend sessions of most relevance to them, or indeed the full 2 day programme.

CONFERENCE FEES

Our sliding fee scale applies for each named delegate registration, whereby the more sessions booked, the cheaper each session becomes.

Over the 2 days, it is possible for a single delegate to attend between one and twelve sessions.

For each named delegate, the table below indicates the total fees payable for the sessions.
